It is our goal to bring users the lowest rates, while providing an easy-to-use interface and first class customer service. [support@alliedwallet.com](mailto:support@alliedwallet.com) (888) 255-1137

**Alto Global Processing** (<http://www.altoglobalprocessing.com>) Alto Global Processing is a leading provider of merchant services for internet and ecommerce businesses. We have formed direct acquiring relationships with merchant banks in nearly every continent of the world to service the broad scope of online industries and maximize merchant profitability. (888-372-0585)

**Atlantic Pacific** (<http://approcessing.com>) As a merchant service provider, we strive to be a leader in vertical market solutions. We offer an array of front end solutions, and we enable our clients the ability to implement a turnkey solution. [sales@approcessing.com](mailto:sales@approcessing.com) (800-635-3545)

**Argus Payments** (<http://www.arguspayments.com/pubsite/public/>) Argus Payments global online payment processing services give our clients peace-of-mind, providing their businesses with a reliable and secure transaction processing platform. With a robust system in place, utilizing state-of-the-art technology, we offer our clients a variety of payment processing solutions with flexible payment options. ([sales@arguspayments.com](mailto:sales@arguspayments.com))

**Authorize.net** (<http://www.authorize.net>) – The Authorize.Net Payment Gateway can help you accept credit card and electronic check payments quickly and affordably. Authorize.Net enables merchants to authorize, settle and manage credit card and electronic check transactions via Web sites, retail stores, mail order/telephone order (MOTO) call centers and mobile devices. (877-447-3938)

**BeanStream** (<http://www.beanstream.com/home/>) We link customers, merchants, and financial institutions and facilitate electronic transactions. In seconds, we can process Mastercard, Visa, American Express, Diners, JCB, and Discover for online and traditional bricks-and-mortar businesses. We also provide a suite of tools to help in the identification and reduction of online fraud. [support@beanstream.com](mailto:support@beanstream.com) (888-472-0811)

**BIGDOG  
PAYMENTS®**

**BigDog Payments** (<http://www.bigdogpayments.com/>) BIGDOG PAYMENTS® is a risk management consultancy that specializes in U.S. domestic and international payment processing. We offer the latest point-of-sale terminals and mobile payments devices, at the lowest prices. The BIGDOG PAYMENTS® gateway provides the online tools and security features needed to perform all of your critical e-commerce payment processing functions.

([info@bigdogpayments.com](mailto:info@bigdogpayments.com)) (877-254-0151)

**BroadPay** (<http://broadpay.net>) Professional Credit Card Processing for electronic traffic systems along with expert risk management and state of the art technology. BroadPay.net enables internet merchants to accept various secure payment methods directly from their website or via our virtual terminal platform. (305-531-0777)

**cardknox**  
DEVELOPER-FRIENDLY PAYMENTS

**CardKnox** (<http://www.cardknox.com>) Thousands of our clients benefit from our credit card processing services. Cardknox's developer program will significantly slash your clients processing costs and pay you generous residuals for the life of the account. While most of our merchants choose the simplicity of Cardknox's full-stack payments, our gateway-only option offers your clients the flexibility to use their own merchant account. Our gateway-only option also adds significant value by offering pre-processing functions such as fraud checks and processor routing. (844-227-3566)

**CardFlex ACH** (<http://www.cardflexnow.com/>) CardFlex® is a leading provider of innovative merchant processing services and prepaid card solutions. Headquartered in Costa Mesa, California, we are committed to providing world-class products, services, and support to meet the evolving needs and goals of our customers. ( [info@cliq.com](mailto:info@cliq.com)) (866.634.3044)

**Central Payments** (<http://www.cpay.com/index.html>) – We provide businesses with the best in transaction processing services. Our competitive pricing, around-the-clock customer support, and innovative technology sets the industry standard. ([info@cpay.com](mailto:info@cpay.com)) (415-462-8335)

**ChargeAnywhere** (<http://chargeanywhere.com/Index.htm>) Eliminate the costly overhead associated with billing and collection let CHARGE Anywhere® perform your merchant level billing. Set your own pricing and CHARGEAnywhere will remit the difference over your buy rate to you on a monthly basis. [support@chargeanywhere.com](mailto:support@chargeanywhere.com) (800-211-1256 opt. 1)

**ChargeBack Guardian** (<http://chargebackguardian.com/>) Our mission is to help CNP (Card Not Present) merchants maintain their processing abilities by providing flexible products that prevent Chargebacks, while protecting against Fraud. Chargeback Guardian has quickly become known for having excellent customer support and service, in an industry that rarely meets it client's expectations. (888-808-8447)

**Checkout** (<https://checkout.com>) Checkout.com's end-to-end payment technology eliminates intermediaries, while data-rich insights track performance and drive approvals. One seamless integration, from in-app to online, across global payment methods, delivers a frictionless payment experience.

**Check21** (<http://www.check21.com/>) The Check21.com mission is to provide merchants with a seamless worry-free credit card and electronic check solution. Using the Check21.com Virtual Check 21 and credit card processing solution will reduce the overall cost of check and credit card transmissions by lowering the amount of NSF's/declines and chargeback's, while enabling merchants to receive funding faster. [Sales@Check21.com](mailto:Sales@Check21.com) (866-989-CHECK option 1)

**Concardis** (<https://www.concardis.com/de-en>) Concardis is one of Europe's leading payment service providers. When it comes to high-performance payment systems, we are the provider of choice for some 110,000 customers at 210,000 locations and with more than 470,000 terminals. We offer our customers intelligent solutions for the cashless payment process, which is becoming increasingly challenging for customers to navigate.

**ConnectnPay** (<http://www.connectnpay.com/>) ConnectnPay delivers the industry's easiest-to-integrate eCommerce gateway... plus a wide range of innovative, cost-effective solutions to maximize online and point-of-sale profits, reduce fraud, and build customer loyalty. ([support@amsprocess.com](mailto:support@amsprocess.com)) (877-644-9644)

**Curepay** (<http://curepay.com/>) CurePay is one of the leading names in online credit card processing. Through an innovative and adaptive approach to CNP (card-not-present) e-commerce and high-risk transactions, CurePay provides clients with an incredibly robust and flexible system designed to meet their business needs. ([info@cure.net](mailto:info@cure.net)) (604-990-1588)

**Digital River** (<https://www.digitalriver.com/>) World-class e-commerce demands intensive resources. Global reach and local market savvy. Cutting-edge infrastructure and time-tested experience. Revenuedriving marketing tools and clear, powerful thinking. (800-598-7450)

**DPS Payments** (<http://www.paymentexpress.com/>) Payment Express is a high growth, innovative global leader in payment technology. Providing PCI DSS compliant payment solutions, we're certified with all major card schemes.
